VIEWSONIC PG707X DLP PROJECTOR

The ViewSonic® PG707X projector features 4,000 lumens, XGA 1024x768 native resolution, an intuitive, user-friendly design, and a sleek white chassis. Exclusive SuperColor™ technology offers a wide color gamut for beautiful image production in nearly any environment. An energy-saving SuperEco™ feature reduces power consumption and extends the lamp life by up to 20,000 hours. A 10W speaker delivers incredibly clear and audible sound, while a top lamp door enables easy access for lamp maintenance. The PG707X is the ideal high brightness projector for use in both classroom and corporate settings.
